Online Hotel Reservation.

are a popular method of booking Hotel room. travellers can book rooms from computer by using online security to protect their privacy and financial information and by using several online travel agent. they can compare prices of different hotel.

Online hotel Reservation are also helpful making last minute travel arrangement.

→ Method of Online hotel Reservation.

→ Connection to air travel ⇒ large hotel chain typically have direct connection to airline national distribution system (GDS) (Sabre, galileo)

canadeus and world span).

This in turn provide hotel information directly to hundred of thousand of travel-agent of this & align themselves with one of these system.

Individual hotel and small hotel chain offer can offer cannot afford the expense of these direct connections and then to another other company to provide the connection.

→ Large Scale travel size

serv. Several large online travel size are in effect travel agencies.

these size send hotel information and rates down stream to literally thousand of online size most of act as at travel agency agent. they can receive commission payment from the hotel of any business. Booked on their website

→ Individual hotel website

An increasing no of hotel are building ^{their} own website to allow ~~the~~ them market their hotel direct to consumer

→ Data Base System.

To improve the ^{livelihood} ~~lightly~~ hood of filling rooms, hotel tend to use several of the above system. the content ~~on~~ many reservation system to increase becoming similar as more hotels sign up to all the sights. Companies thus have to relay on specially negotiated rates with hotel and hotel chains. or trust in the influence search engine. to Draw consumer. consumer.

Hotels term and conditions are important part of ~~service~~ reservation process and it is the responsibility of the people ~~from~~ company reservation to inform the guest regarding the cancellation policy of the hotel when a customer plans to cancel his reservation and call up the ^{hotel} directly to do so. It is important of the person who accept the cancellation to inform the client regarding -

Cancellation Charges

Cancellation number
any other charge if applicable
the hotel representative to who has cancelled the reservation should also down the room & contact number of the person cancelling the reservation.
